SITE: The Gloucester County Institute of Technology (GCIT) facility has two 8-lane/25-yard pools equipped with Competitor non-turbulent lane lines; water depth is 12 and 5 ft at starting ends. GCIT has Colorado timing systems on each pool with an 8-lane scoreboard on deep pool and 1-lane scoreboard display on shallow pool. There is balcony seating for spectators.

ELIGIBILITY: This Meet is limited to Middle Atlantic swimmers ages 14 and under only; swimmers must be currently registered with Middle Atlantic and USA Swimming in order to compete. This meet will be conducted according to current USA Swimming Rules and Regulations. Age group is determined by the swimmer's age on Thursday, March 11, 2010. All qualifying times must have been swum no earlier than September 1, 2008. All swimmers are limited to three (3) individual events per day and a total of ten (10) individual events for the Meet. All entry times must be from a USA Swimming Sanctioned, Observed or Approved meet, or a Middle Atlantic Accepted meet.

ENTRIES: Swimmers entering this Meet must have achieved a time in an event that is equal to or faster than the Qualifying Times in the appropriate course. Bonus events may be entered and must be equal or faster than the Bonus Qualifying Time. All entries must be submitted in the course in which they were achieved; qualifying times swum in meter pools should NOT be converted but should be clearly identified if swum in short-course (SCM) or long course (LC) meters. SCM and LC entry times will be treated as non-conforming.

Except as noted herein, a swimmer must enter with their 'best time' in an event. A swimmer may enter the 1650 Free and the 11-12 400 IM at the qualifying time standard provided they are entered in at least one other individual event on Sunday.

Entries sent with 'No Time' will be rejected!

All entries must be prepared using Hy-Tek Team Manager or a compatible program and should be generated using information from your Team's registration database (e.g., Team Manager). Teams may either (a) send a computer disk containing the entry information, a Hy-Tek entry report, the Meet Summary Sheet (in MS Word format) and a check to the Meet Director (DO NOT SEND ENTRIES TO THE MIDDLE ATLANTIC OFFICE!!), or (b) send the entry information and entry report via E-mail to bcatmeet@comcast.net; then send the Meet Summary Sheet and check to the Meet Director. **All e-mailed entries must include the number of swimmers in the meet, the total number of individual event entries, and the total number of relay entries in the text of the e-mail.** The TM entry report in Word.doc format MUST be attached. Electronic entries received without this information will be rejected. Please waive the 'signature required' if your entry is sent via a Postal Service that provides one. **Do not send a disk if you e-mail your entries to the Meet Director. A report confirming all electronic entries will be sent to the Team contact via e-mail, and a Team will have 24 hours to make any corrections.** Swimmers currently registered as UNATTACHED may use the attached Entry Form. A fee of \$5.00 per swimmer will be charged any swimmer registered with a Club that does not use a computer entry; this is to insure that results will be correctly reported to the USA Swimming SWIMS database.

DECK ENTRIES WILL NOT BE ACCEPTED AT THIS MEET!

The Referee may remove anyone from the warm-up for failure to comply with the warm-up rules. Swimmers without coaches should report to the Referee or Meet Director prior to entering the pool for warm-ups and will be assigned to a Team/Coach for that session.

Any swimmer observed swimming under or through the Bulkhead by an Official or Safety Monitor at the meet will be disqualified from that swimmer's next individual event or from the remainder of the meet, as determined by the Meet Referee. This policy will be strictly enforced

SEEDING: All events will be pre-seeded except Relays, the 11-12/10&U 500 Free and 400 IM, and the 11-12 and 13-14 1000 and 1650 Freestyles. be announced as to when the event will close, and will be approximately 30 minutes before an event is scheduled to swim **except for the 1650 freestyle and 11-12 400 IM. During the breaks at Finals this year, we are asking the top 8 finishers of each event to come to the podium for awards recognition. The meet director reserves the right to discontinue this during the breaks and move all recognition to the end of the finals session in order to keep the session running in a timely manner.

SCRATCH
POLICY:

Any swimmer who does not swim a pre-seeded Preliminary or Timed-Final event will not be penalized.

Any swimmer who positively checks-in for a deck-seeded event and does not swim that event will be barred from their next individual event, either on the same or next meet day. A Declared False Start may be taken in deck-seeded events.

Any swimmer who qualifies for Finals in a Preliminary/Finals event and does not report for and swim that event at Finals will be barred from the rest of the meet (including relays) unless the swimmer has scratched or indicated their possible intention to scratch within thirty (30) minutes of the announcement of the Preliminary results of that event and then confirmed such intention to scratch within thirty (30) minutes of the announcement of the results of that swimmer's last individual event at the Preliminary session. A swimmer who does not confirm their intention is assumed NOT to have scratched and will be seeded into the event. Swimmers who are initially announced as an Alternate (or lower) for the Finals will not be so penalized. Swimmers must scratch or declare their intention to scratch with the Admin Referee at the appropriate time.

A Declared False Start, a Delay-of-Meet False Start or other action taken by a swimmer with the intent to non-compete at a Finals session will be treated as a failure to compete and will be penalized as such.

FINE for NON-COMPETE

on LAST MEET DAY: A \$50 fine will be imposed on any swimmer who qualifies for Finals on Sunday night (or on the last day of competition for that swimmer) and then does not compete in said Finals event unless such swimmer has appropriately scratched (see previous paragraph) or was initially listed as an Alternate (or lower) in said event. A \$50 fine will be similarly imposed on any swimmer who checks-in and is seeded to swim in the final heat of 1650 Free or the 11-12 400 IM on Sunday night and then does not compete in that heat at Finals, unless the swimmer was initially not listed among the fastest eight swimmers entered in the event. Any swimmer fined for such violations will be suspended from further competition in Middle Atlantic sponsored meets until the fine is paid.

OFFICIALS: All certified Middle Atlantic and USA Swimming Officials are welcome and encouraged to help officiate at this meet. Officials should contact the Meet Director or Meet Referee (at officials@maswim.org) prior to the meet to indicate which sessions they will be available – or should report to the Referee one hour before the start of each session.

STARTING

PROCEDURES: This meet will be conducted using the 'No Recall' false start rule and will use whistle command starting procedure. Fly-over starts will be used at the morning and afternoon sessions, and the Thursday evening session.

TIME TRIALS: Time trials will be available after Prelims or Finals on Friday, Saturday & Sunday, time permitting; the cost is \$10.00 per individual swim, \$20.00 per Relay. To swim a Time Trial, a swimmer must be within 0.5 seconds per 50-yd (or 50-m) distance of the Sectional Time Standard for that event. A swimmer may swim one Time Trial per day in an event, and a maximum of two Time Trials per day. Time Trial Events count in the total allowable individual events to be swum in one day. Swimmers participating in this meet will have priority at time trials; swimmers not in the meet must provide proof of USA Swimming registration. **TIME TRIAL RESULTS WILL NOT BE ACCEPTED FOR CONSIDERATION TO THE MIDDLE ATLANTIC WINTER ALL-STAR ZONE TEAM.**

BONUS

EVENTS: Bonus events will be offered at the 2010 Winter JO Meet. In order to swim a bonus event, a swimmer must have qualified and signed-up for at least one individual event. Relay only swimmers are not eligible for bonus swims. The qualifying times for Bonus events are the 2007 Winter Junior Olympic time standards. Swimmers can participate in a maximum of two (2) bonus events, as follows:

- 1 qualifying time: Swimmer can add ONE Bonus Event
- 2 qualifying times: Swimmer can add TWO Bonus Events
- 3 qualifying times: Swimmer can add ONE Bonus Event
- 4 or more qualifying times: No Bonus Events

Bonus events will be seeded last (slowest), proceeded by non-conforming times and then conforming times. Swimmers competing in Bonus Events will be eligible for Finals and all awards/points available for that event.

Team entry persons are cautioned to make sure that they are not entering bonus swims into the meet that have not met the bonus qualifying times. Team entries will be reviewed after the meet and any team found to be in violation of this will be subject to all Middle Atlantic Fines and Penalties. **Please take the time and double check your entries!**

DECK ID: **Only swimmers, coaches, and meet personnel are allowed on deck.** All coaches must display their 2010 USA Swimming Coach's registration card.
