However, if you do park on the street, we recommend that you remove all valuables from your car, or remove them from view. The daily parking rate is \$10 per day with in and out privileges. The fee is \$7 if you have a valid Pitt ID. On Saturday, due to a Pitt men's basketball game, the OC lot will NOT permit in and out privileges, and during game time there will be parking in the Tower

Fortunately, the University of Pittsburgh Parking Office may allow in/out privileges in the OC Lot when there are not other special events scheduled to swim meet parents, officials and coaches.

The In-Out privilege is NOT EXTENDED to others parking at the University, and may be revoked.

In order to utilize this, please keep your parking payment stub with you when you exit in order to re-enter the lot for finals. Thanks.

The Rules of Conduct as Adopted by the Allegheny Mountain Swimming Association for this meet.

1. Any swimmer breaking any one or more of the following rules will be ejected from the premises:
 - a. willful damage to the premises (walls, floors, doors, etc.);
 - b. willful damage to the furniture, fixtures and appointments;
 - c. plugging sinks, toilets, or other drains;
 - d. flicking towels, fighting, wrestling, etc.;
 - e. violation of any posted or announced regulation(s);
 - f. insubordination to officials and deck marshals;
 - g. any other unsportsmanlike, irresponsible or unsafe conduct; or
 - h. use of alcohol, illegal drugs, and tobacco (inhaled or chewed).
2. USA Swimming mandates the following procedure for expeditious handling of complaints and/or disciplinary actions for violation of these rules:
 - a. Since federal law states that an athlete cannot be suspended from competition, even temporarily, without a hearing, the host club should be prepared in advance to have an ad hoc Meet Rules Committee selected. The Committee should have a referee or designated official, the Meet Director and an athlete as members. This Committee should be announced before the start of the meet. It is the Meet Director's responsibility to select this Committee; however, the Meet Director may ask the Referee to select this ad hoc Committee. In the case of a protest, the Committee shall convene on the site immediately to handle the situation.
 - b. The decision must be reduced to writing within ten (10) days of the hearing and a copy served by mailed to the athlete and to the Chairman of the AMS Review Committee. It should include findings of fact. If a formal hearing is desired, the matter can be referred to the AMS Review Committee for a full hearing.
3. Coaches and swimmers must remain a minimum of two (2) feet from the pool's edge. Coaches and official must display current USS registration cards.
4. Only competing swimmers, officials and lap counters are permitted within four (4) feet of the pool's edge both at the starting and turning ends.
5. Spectators, including parents, are not permitted on the pool deck.
6. Coaches, parents and/or swimmers are not to contact the administration desk or electronic timing operator regarding questions of time or place of finish. All questions should be directed to the Referee.
7. If the electronic timing device is set off before a race is completed, or if the body of a swimmer (defined as the torso, including shoulders and hips) enters the water, or if, in the opinion of the Meet Referee, an "on-deck" swimmer has interfered with an "in-pool" swimmer, then the "on-deck" swimmer may be disqualified from their next event.
